**deWit Construction & Remodeling Earns “Super Service Award”**  
Award reflects company’s consistently high level of customer service

**Clive, IA** - deWit Construction & Remodeling, a Clive-based company, has earned the service industry’s coveted “Angie’s List Super Service Award,” reflecting an exemplary year of service provided to members of the consumer review service in 2013.

“Only about 5 percent of the companies deWit Construction competes with in Des Moines market are able to earn our Super Service Award,” said Angie’s List Founder Angie Hicks. “It’s a mark of consistently great customer service.”

deWit Construction & Remodeling had to meet strict eligibility requirements, which included an “A” rating in overall grade, recent grade, and review period grade and is in good standing with Angie’s List. deWit Construction also had to pass a background check and abide by Angie’s List operational guidelines.

“We are honored to have received this award,” owner Neil deWit said. “We have worked hard to earn and keep a great reputation in this community and a coveted award like this is an absolute honor.”

Service company ratings are updated daily on Angie’s List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality. Members can find the 2013 Super Service Award logo next to company names in search results on [AngiesList.com](http://AngiesList.com).
